**MEASURING:** All dogs participating in this trial must have an AKC height card or they will need to be measured prior to running. At least one VMO will be in attendance to measure for official height cards. It is the owner's responsibility to have the dog measured prior to running. Awards may be cancelled if the dog is not measured before running.

**RINGSIDE:** Agility Gate will be used to manage the running orders. On Tuesday Agility will be running concurrently with the Scent Work trials. Reasonable accommodations will be made for teams running in both agility and scent work, but conflicts need to be communicated to the gate stewards in both sports as soon as possible.

**SAFETY/BEHAVIOR:** The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

**LIABILITY:** It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such cases, no refund of any fees paid will be made. ABTC and its agents, employees, etc. will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property, & further assume no responsibility for injury to children. ABTC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against ABTC, the American Kennel Club, or any official thereof.

## Mixed Entries, FEO, & Fix N Go Information

### Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend & Multiple Jump Heights Within the Same Trial Day

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

### Entering For Exhibition Only (FEO)

FEO is only allowed in the Time 2 Beat and FAST classes. FEO is of value to new exhibitors or exhibitors who are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the trial.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of trial jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of trial level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

### Fix and Go (FNG)

Fix and Go allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go is not pre-entered; rather, it occurs during the course of the run.

## Run for Glory

This non-competitive event is being held to recognize our beloved retired agility dogs. **The event will be held Tuesday June 11**, immediately before Novice JWW during the Tervuren specialty agility trial. Each dog will run a "victory" course based on novice JWW obstacles, with bars set at the handler's height choice or left on the ground. Any obstacles may be skipped.

This year's theme will be "Boundless Agility." While the titles of these dogs document success, no titles can adequately reflect the journey that brought us to those achievements. Please provide one or two short moments that personify your relationship with your dog. Those memories will be read aloud by the announcer for all to share, while you and your dog enjoy the Run for Glory course. At the conclusion of the run, each team will receive a personalized ribbon with their dog's name and titles embossed on it.

**This special event is for retired dogs only**, regardless of how long they have been retired. **The deadline is April 10th** to allow time for ordering the custom ribbons. No entries can be made after this date.
